

## Materials

### FACE SHEET

- The white, non-woven face sheet is similar to 3M paper tape widely used for direct skin applications in hospitals worldwide.
- This material has been tested in an independent laboratory and found to be hypoallergenic and to have zero dermal irritation to the skin.

### ADHESIVE

- Hypoallergenic medical grade adhesive.
- Enables the Hygienic Liner to stay in kids' swimwear without leaving residue upon removal
- Tested in an independent laboratory and determined to have zero dermal irritation.

## Function

- The CKC-1 Hygienic Liner protects kids' swimwear while being tried on at the retail store and at home from catalog sales.
- Protects swimwear from being soiled, so that garments will not be "marked out of stock".

## Product Focus

- The dimensions are **optimized to fit smaller children's garments**.
- The non-woven face-sheet is derived from natural sources to provide absorption.

## Availability & Shipping

- CKC-1 Hygienic Liner is a stock item available for immediate shipment from our warehouses in California, Georgia and Hong Kong.
- This product is shipped worldwide.

## Product Liability

- This product is covered under a two million dollar product liability insurance policy.
