

## Materials

### FACE SHEET

- The clear 2 Mil Biaxially Oriented Poly Propylene (BOPP) film face sheet is designed to act as a good moisture resistant barrier. Additional characteristics include softness and comfortability.

### ADHESIVE

- Adhesive is FDA compliant.
- Enables the Hygienic Liner to stay in the ladies' swimsuit without leaving residue upon removal
- High cohesive strength provides a secure bond to fabric and long term clean removability.

## Function

- The CLKC-1 Hygienic Liner protects ladies' swimwear and lingerie while being tried on at the retail store and at home from catalog sales.
- Protects swimwear from being soiled, so that garments will not be "marked out of stock".

## Product Focus

- Our clear face sheet is strong and effective in protecting your inventory. With a **fully customizable clear face sheet**, bespoke options are limited only by the imagination.
- Each Hygienic Liner stays securely inside of swimwear without damaging the garment.

## Availability & Shipping

- CLKC-1 Hygienic Liner is a stock item available for immediate shipment from our warehouse in Hong Kong.
